Farmingville, NY - On May 9, Supervisor Ed Romaine and Councilwoman Connie Kept attended a Meet the Elected Officials breakfast sponsored by Blue Ridge Condominiums' Home Owners Association and Political Action Committee (PAC). At the breakfast, the Supervisor and Councilwoman updated the community on the new Coram UA project, the Highway Department's plan to repave Granny Road between Route 112 and CR 83/North Ocean Avenue this season, and the New York State DOT's plan to begin reconstruction of Route 112 between Granny Road and Route 25/Middle Country Road in the Spring of 2015. Pictured are Councilwoman Kept (left), Assemblyman Ed Hennessey (second from left), Supervisor Ed Romaine (back row, second from right) and Legislator Rob Calarco (right) with the Blue Ridge HOA and PAC.

Supervisor Romaine said, "The Blue Ridge annual breakfast is a perfect way for elected officials to connect with the residents. We need to keep them informed about what's happening in their community and it's also a great opportunity for us to hear their thoughts and concerns. I thank them for the invitation and look forward to visiting again soon."

"I want to thank the Blue Ridge community for hosting this wonderful breakfast each year," said Councilwoman Kept. "This annual breakfast meeting allows me and other the elected officials to connect face-to-face with community members and provide an update on current and future projects within the Fourth Council District."
